(B) The lessee will not permit any loss, nor commit or cause any waste in, to or upon said land; nor cut or remove nor allow to be cut or removed any timber or standing trees that may be upon said land, save and except only such as may be necessary for the improvement of said land, (and then only with the written consent of the State Land Commissioner) or for fuel for the domestic use of said lessee; provided that nothing herein shall be construed to permit the cutting of saw timber for any purpose.

(C) That the lessor excepts and reserves out of the grant hereby made, all oils, gases, coal, ores, limestone, minerals, fossils, and fertilizers of every name and description that may be found in or upon the land herein described, or any part thereof.

(F) That if at any time after the execution of this lease, it is shown to the satisfaction of the State Land Commissioner, that there has been fraud or collusion upon the part of the lessee to obtain or hold this lease at a less rental than its value, or through such fraud and collusion a former lessee of said land has been allowed to escape payment of the rental due for the use of said land by the former lessee, this lease shall be null and void, at the option of the State Land Commissioner, insofar as it relates to the land affected by said fraud or collusion.

(G) That if at any time after the execution of this lease it is shown to the satisfaction of the State Land Commissioner that the lessee herein has misrepresented, by implication or otherwise, the value of the improvements placed upon the land herein embraced by a former lessee, or any other person or persons and the lessee herein not being the owner of said improvements at the time of the execution of this lease, this lease shall be null and void, at the option of the State Land Commissioner, insofar as it relates to the land upon which said improvements are situated.

(H) If the lessee should fail to pay the agreed rental when due, or fail to keep the covenants and agreements herein set forth, the State Land Commissioner, at his option, may cancel said lease or declare the same forfeited in the manner provided by law.

(I) That the State of Arizona shall be forever wholly absolved from any liability for damages which might result to the lessee herein on account of this lease having been forfeited for nonpayment of rentals due thereunder prior to the expiration of the full time for which it is issued.

(J) It is understood by the lessee that the establishment of any water right, or rights, shall be by and for the State of Arizona, and that no claim thereto shall be made by said lessee; such rights shall attach to and become appurtenant to the said land.

(K) If the lessee desires to place improvement on the land described herein the approval of the State Land Commissioner must first be obtained. That the lessee will, on or before the first day of July of each year during the term herein specified, file with lessor a sworn statement setting forth therein the character of improvements constructed on said demised premises and the actual cash value thereof.

Such right to be exercised within thirty (30) days from the date of the end of such term or earlier termination thereof.

(M) That said lessee shall give lessor thirty (30) days' notice in writing in advance of the abandonment of said premises or termination of these presents.

(N) The terms, conditions and covenants of this lease are subject to present laws relating to state lands and the rights of both lessor and lessee hereunder are each and all subject to such modifications as may be consistent with such amendments, revisions or repeals of existing laws as may hereafter be made and no provisions of this lease shall create any vested right in the lessee herein.

(O) Any improvements placed on this commercial lease must conform to existing Laws and Ordinances relative to commercial construction and maintenance in the area where this land is located. Approval granted by regulatory authorities will accompany application to place improvements when filed with the State Land Department.

(P) That the lessor also reserves the right to grant rights-of-way and easements over, across, or upon the lands embraced in this lease for public highways, railroads, tramways, telephone, telegraph, transmission lines, pipe lines, irrigation works, flood control, drainage works, logging and other purposes, and this lease is issued subject to all existing rights-of-ways.
